"Every story of conversion is a story of blessed defeat."

C.S. Lewis, Mere Christianity, 20th century

"When one of my friends becomes a Christian, which happens about every 10 years because I
 am a sheep about sharing my faith, the experience is euphoric. I see in their eyes the trueness of
 the story."

Donald Miller, Blue Like Jazz: Nonreligious Thoughts on Christian Spirituality, 21st century

"Conversion for me was not a Damascus Road experience. I slowly moved into an intellectual
 acceptance of what my intuition had always known."

Madeleine L'Engle, 20th century
