An Irish Blessing

Author Unknown

I wish you not a pathway free of troubles
 Nor a life of ease on a bed of roses.
 I do not wish that you should never feel pain;
 Or endure the bitter pangs of sorrow and regret.
 I do not wish these
 For they are not the things that matter.
 My wish for you is that you find courage in times of trial.
 When the skies darken and the outlook is bleak,
 When others load their burdens on your shoulders
 And even blame you for their woes
 When all seems darkness,
 May you always find the ray of light
 And may all the gifts God gave you grow and flourish.
 May you always have friends who are worthy of the name
 Who will help in times of need and share your time of joy
 And may you always offer friendship in return
 As you enrich the lives of all you meet.
 But this is not all...
 One more wish I have for you
 In every moment of every day
 May you feel God's love and be inspired
 That is my wish for you and all who are dear to you
 That is my wish for you now, always and forever.

Welcome summer!!!
