As the pace and demands of life continue to increase, so does our desire for deeper meaning and our need for self-care. This has led to a rebirth in the use of the labyrinth, an ancient tool which transcends time, culture, and religion. Walking the labyrinth offers many opportunities, from accessing a calm, quiet mind and engaging in self-reflection to celebrating and grieving all that is life. Join Pastor Kate for an introductory talk on the history and uses of the labyrinth and experience what it has to offer you. Light refreshments provided.
